## STORY

The Great Ninja War that shook the world and shed much blood is now history. Naruto has become the Seventh Hokage, and the people of Konohagakure Village are enjoying peace. Yet Naruto's son Uzumaki Boruto has a glum life, perhaps due to his father's too-great influence.

Rebelling against Naruto while simultaneously craving his praise, Boruto decides to enter the Chunin Exam along with his teammates Sarada and Mitsuki.

However, the exam is more intense than Boruto has imagined. Boruto ends up secretly using a prohibited Scientific Ninja Tool and is stripped of his shinobi status by his father.

Just then, members of the Ohtsutsuki Clan attack the arena! Boruto faces off against them alongside Naruto, Sasuke, and others, and they achieve victory with a Rasengan that father and son weave together. However, Otsutsuki leaves behind ominous parting words: "Those blue eyes shall eventually take everything from you..." In addition, a strange mark appears on Boruto's right palm...

Later, with a new resolve to become a ninja, Boruto successfully protects the Daimyo's son from a ring of robbers. However, its leader's words reveal the existence of a mysterious group called Kara...
